

"I must work the works of him that sent me, while it is day:
the night cometh, when no man can work." John 9:4

Dear Praying Friends,

January-February 2016

Greetings from the state of South Carolina! I hope this letter finds you doing well and enjoying the blessings and riches of his glory. Thank you so much for your faithful prayer and support.

The Lord allowed me to be able to get off to a great start this year with deputation. In January, I had all my meetings in Virginia and in my home state of Maryland. During a missions conference in Clinton, Maryland, many wonderful things happened of which two were very dear to me. One of those things was that I met a man of God who heard that I had recently gotten engaged; he came up to my table and asked me if I had bought my wedding rings and I responded with a no. Then he told me that he had a gift he would give me. About two days later during a men's meeting, **he handed me two beautiful rings. What a blessing!** The other special thing that happened during that conference in Maryland was that I was given the opportunity to speak in their Spanish church and after I finished preaching, a young man who has the same last name (not related to me) as I do walked forward to accept Jesus Christ as his savior. Not only does he have the same last name, but he is from the Dominican Republic. I praise the Lord for the opportunities he gives me to be an instrument for his honor and glory.

Prayer Requests:

- ***Upcoming meetings**
- ***Safety on the road**
- ***Promised support**
- ***Good health**
- ***Wedding preparations**

In month of February, I had meetings and conferences in PA, OH, VA, and in NC. **During a Spanish church's missions conference in Marion, NC, revival broke loose.** People were getting saved, called to preach and the mission field, and families getting things right with each other. Also, I had a young boy that followed me and wanted to be around me all the time. He was amazed at my decision to serve the Lord as a missionary and told me that he wanted to be a missionary too. That he wanted to go back to Mexico to reach his friends and town he left behind. During these past two months, **I had four churches vote to take me on for support.** Not only that, but I **had some promised support begin to come in, two supporting churches that increased their giving, and received a few calls from churches I visited last year that said that they would begin to send financial support.** I am **currently at 49% of my support needed to get to the field,** and have a very busy spring ahead of me. Please continue to pray that the Lord would open doors and have favor on my side as I continue to share my burden. On the last prayer letter, I reported that I got engaged to the love of my life and now, **I am very excited to announce that we will be getting married on May 28, 2016.** Pamela sends a very warm greeting to you all and is excited what the Lord will do through us in the Dominican Republic.
