

JEFFRI & PAMELA POLANCO

SERVING IN DOMINICAN REPUBLIC

Dear praying friends,

July 8, 2016

We hope this letter finds you doing well. We are so thankful for all of your prayers and faithful support. The last two months have been very busy but fascinating and exciting. From the wedding that we had been waiting so anxiously, to Pamela being accepted by BIMI, It's been exciting.

The Wedding

I left to go to the Dominican Republic a few

weeks before the wedding to help Pamela with the wedding preparations. We had so much fun gathering all the decorations, cake, dresses for the ladies, getting suits for the guys, location for the wedding, and etc... Then, the day came when Pamela and I would join together in Holy Matrimony. That day seemed as if a dream had finally come true, and years of praying for a godly wife, not just from me but from many churches, had been answered. All the guest were in a restaurant with the beautiful view of the trees and mountains of the DR. As everyone waited for the bride to walk down the aisle, I was standing with anticipation to see by beautiful Pam. Then, everyone one stood and I knew she was there; and when I saw her walking down the aisle, a tear of joy fell down my eye, for my Pamela was going to be my wife. We exchanged vows and became husband and wife. While I was in the DR, I had the opportunity to help in the van ministry at Iglesia Bautista El Faro, preach during some of the services, go door to door soul winning, and visit the city of Nagua once again with the Pape family. On our visit to Nagua, we met a Cuban lady who is looking for good bible preaching church and who wants us to plant a church there.

Candidate School

After the Wedding, we traveled to

the States to go to Candidate School for a week at BIMI and Pamela was accepted by the Board! During that week, we had a great time learning and made many new missionary friends. We had 11 new churches take us on for support in these last two months and we are looking forward to this fall. We are currently at 61% of our support level. We have to raise some extra support now that we're married, but are excited and looking forward to getting to field by the early next year Lord willing. Please pray that the Lord would get us our support quickly. We have many churches lined up to attend this summer and fall; and we can't wait to get to the Dominican Republic. Also, we are so thankful for the churches that sent an extra offering for our wedding, we greatly appreciate it.
