Missionary to the
**DOMINICAN
REPUBLIC**

Dear partners,

September-October

Receive my warm greetings from the lone star state of Texas! I hope that this letter finds you doing well and enjoying the blessings that the Lord bestows upon us each day.

The last two months of deputation have been very busy months in regards to driving and presenting my burden in numerous churches. In the beginning of September, I took a road trip to Oklahoma from North Carolina and had a blast in a missions conference in a Spanish church. There, I met a Dominican fellow brother who is preparing himself to go back to Dominican Republic. Then, I headed to Alabama and had some meetings there and God was good. Then, went back up to Kansas for Sunday meetings before heading to Frostburg, MD.

In October, **I was in a church service for a total of 21 out of the 31 days of the month.** The Lord blessed tremendously. I was in three missions conferences that month and was able to attend a Spanish Sword of the Lord/Evangelism conference in New York City where I was able to meet many pastors. During those days of being in churches, I was able to present my burden for the Dominican people and was able to specifically challenge young people to serve God.

I would like to thank you so much for your faithful prayers and support of my ministry. In the past two months, I was able to see two new churches begin to support me financially. And therefore, **I am currently at 33% of my support level.** Continue to pray that the Lord would open doors in the churches I am going to be visiting for the rest of my deputation journey in 2015 and that many of those churches that I have already attended in the previous months would begin to support me financially. Also, continue to pray for God's Power and hand of protection to be upon me and that he would continue to give me good health. May God bless you and Happy early Thanksgiving!!
